DISCLAIMING AFFIDAVIT

This Disclaiming Affidavit is made in accordance with M.P.E.P. §2132.01 to establish that the publication known as Mor Peleg and Dov Dori, "From Object-Process Diagrams to a Natural Object-Process Language", published in Berlin, Germany in July 1999 (hereinafter: the "Publication"), which was cited by the Examiner, does not constitute a prior art reference under 35 U.S.C. §102(a) with regard to United States Patent Application Number 09/808,781 filed by Dov Dori (hereinafter: the "Application").

1. I, the undersigned, hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements are punishable by fine or imprisonment or both under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the Application or any patent issued thereon.
2. Dov Dori and I are the two co-authors of the Publication.

Applicant: DORI, Dov
Serial No.: 09/808,781
Attorney Docket No.: P-7481-US

3. I have read the specification and claims of the Application, which was filed naming Dov Dori as the sole inventor and the sole applicant. I have also read the claims currently pending in the Application.
4. Based on my review of the Application in light of the Publication, I conclude that any portions of the Publication that may be relevant to the subject matter described and claimed in the Application originated solely from Dov Dori.
5. Furthermore, I have not contributed to any invention claimed by the claims currently pending in the Application and, therefore, I am not an inventor of the Application.
